YOUTH OPPORTUNITY

HELPING YOUNG ALASKANS REALIZE THEIR POTENTIAL

Alaska's next generation of learners, workers, and leaders need our support. **We're committed to ensuring children, teens, and young adults have better access to dependable, excellent learning environments.** We're paving the way for parents to have more child care options so their income can provide for their kids. Plus, we're helping young Alaskans cover their pressing needs and receive mentorships to prepare them for life after graduation.

PROVIDING CHILD-CENTERED SUPPORTS

We coordinate with health clinics, nonprofits, and private workplaces that assist families with infants, toddlers, preschoolers, and school-aged children. **Their needs evolve, ebb, and flow - and so does our help.** Right now, we're focused on supporting Anchorage School District's Academies of Anchorage and Back on Track as well as connecting families with mental and behavioral health assistance.
