

HEALTHY COMMUNITY

Improving Alaskans' health and well-being

A healthy community is one where everyone has the care they need to thrive, at every stage of life. We provide Alaskans with connections to care that supports their physical, mental, and social well-being. Our Healthcare Navigators help those who are uninsured find and enroll in quality coverage that fits their needs.

Let's build a healthy community.

United is the Way.

3,531

Alaskans enrolled in health coverage with support from our Healthcare Navigators

10,895

Individuals provided with, and completed, specialty referrals

2,941

People increased their physical activity and moved toward a healthy weight
